

Temporary Market Safety Card

A moving market still needs clear exits, safe power, sanitation, medical access, and a person who can stop operations.

1 // OPEN

- ☐ Clear fire lanes and exits.
- ☐ Separate heat, fuel, and batteries.
- ☐ Mark first aid and lost-person points.

2 // OPERATE

- ☐ Keep aisles and access routes open.
- ☐ Route power away from wet paths.
- ☐ Give every vendor the stop signal.

3 // CLOSE

- ☐ Remove waste, tape, wire, and signs.
- ☐ Photograph damage or hazards.
- ☐ Confirm the next host before posting.
